

Recognizing and Fixing Mistakes – How to take the fear out of knitting

Taught by Tina McClancy

Description: One 2-hour class

Saturday March 23, 2024 1 pm to 3 pm

Cost: \$25

Skills Learned:

- How to find and secure a dropped stitch
- Laddering down to fix a stitch
- Unknitting or TINKing
- Ripping out rows or frogging
- Fixing a split stitch
- Fixing an added yarn over
- Inserting a missing yarn over
- Accidentally working the first stitch as two stitches
- Fixing a knit that should be a purl or vice versa.

Materials Needed:

- Worsted weight wool or wool blend yarn in a light color.
- US 8 up to US 9, depending on yarn, straight or circular.
- Locking stitch markers
- Crochet hook, size I-9 to K-10.5 or Silvalume Handi Tool
- Assortment of double ended needles or cable needles
- Non-waxed dental tape
- Tapestry needle
- Notepad or Journal

Preparation:

Pre-purchase yarn, needles and other supplies, if needed. With needles, CO 40 stitches with long-tail or German twisted method.

**Row 1 – K*

Row 2 – K5, P30, K5

Repeat Rows 1 & 2 until this portion of your swatch measures 8 to 10 inches from your cast on edge – leave on the needles and come on in!
